Notice of Grandfathered Status of Fund

Because the Fund is a "grandfathered health plan," we are required by law to provide this notice to you. The Fund believes it is a "grandfathered health plan" under the Affordable Care Act. As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted.

Being a grandfathered health plan means that the Fund may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the Fund's Contract Administrator, 703 McCarter Highway, Suite 101, Newark, NJ 07102; Phone: 973-735-6464, Fax: 973-735-6465. You may also contact the Employee Benefits Security Administration, U.S. Department of Labor at 1-866-444-3272 or www.dol.gov/ebsa/healthreform. This website has a table summarizing which protections do and do not apply to grandfathered health plans.
